

SUPPORT OUR WILDCAT READERS

Banner County students K-12 are starting a new AR Reading incentive program and need your support! Accelerated Reading (AR) is a student-level program where students read books at their individual reading ability and take assessments over those books to earn points. As they earn points, they will earn incentives at various point levels. By supporting our students, you are encouraging them to read and therefore laying a path of success for our Wildcat students' future! Your donation will help fund prizes for our students to earn as they put time and effort into reading.

If you feel inclined to support our students please remit the form below and your donation by October 31, 2021 to:
