

STUDENT DUE PROCESS RIGHTS

Student complaints and grievances regarding board policy or administrative regulations and other matters should be addressed to the student's specific teacher, activity sponsor or other certified employee, other than the administration, for resolution of the complaint. It is the goal of the board to resolve student complaints at the lowest organizational level.

All students will be afforded due process as guaranteed by constitutional provisions. Complaints involving student suspension, expulsion or mandatory reassignment will follow provisions of the Student Discipline Act. All other student complaints are to follow the chain of command as outlined in district policies. Rules for student conduct and appeal procedures will also be published in the student handbook.

The discipline which may be imposed includes actions which are determined to be reasonably necessary to aid the student, to further school purposes, or to prevent interference with the educational process, such as (without limitation) counseling and warning students, parent contacts and parent conferences, rearrangement of schedules, requirements that a student remain in school after regular hours to do additional work, restriction of extracurricular activity, or requirements that a student receive counseling upon written consent of the parent or guardian, or in-school suspension. The discipline may also include out-of-school suspension (short-term or long-term) and expulsion.
